# The First Annual Meeting of The Egyptian Spine Association

22<sup>th</sup> -24<sup>th</sup> December  
Sheraton Dreamland Hotel, 6th of October City

[www.esa.org.eg](http://www.esa.org.eg)

## *Dear colleagues*

**H**ere we have the honor and pleasure to declare the birthday of our spine society THE EGYPTIAN SPINE ASSOCIATION (ESA) and to invite you to the first annual meeting. The first meeting will be held in Cairo at Sheraton dream land 6th of October city through December 22<sup>th</sup> - 24<sup>th</sup> 2011. This location in this time of the year is very nice weather-wise and also traffic-wise. It is easily accessible from all over the country. This event is unique for every one interested in the spine career to see the birth of a new society. The society for all spine surgeons. For the first time we will see the two pillars of the spine surgery (**Neuro/Ortho**) set together with a single target to enrich the specialty. It will be a memorial event everybody is encouraged to share and join it. Let's all enjoy this event to see the spine expertise talking together. This union is made to share knowledge, exchange experiences, exposed to different views and schools, update and widen our scopes, etc.

**D**ear friends let us celebrate this event together and learn and teach more about the spine. Dreamland is waiting for you and we will take care of you.

### **Main Topics:**

- Anomalies
- Deformities
- Degenerative lesions
- Implant abuse
